§ 705.9 Availability of motion pictures to external audiences.

(a) *Public access.* Navy and Marine Corps general motion pictures and motion picture projects not previously cleared for public exhibition will require clearance by the Chief of Information or the Marine Corps Director of Information, as appropriate, prior to public viewing. Concurrent review of legal rights and instruments associated with the production will be carried out by Patent Counsel, Naval Air Systems Command (AIR-OOP). Cleared motion pictures may also be made available for free loan as determined by the individual services. In addition, cleared motion pictures may be provided for rent or sale through the National Audio-Visual Center, National Archives and Records Service (GSA), Washington, DC 20409.

(b) *Foreign military training.* Motion pictures from the Navy inventory may be made available for foreign military training programs on approval by the Chief of Naval Operations. Classified motion pictures selected for such use will also require a security review by the Chief of Naval Operations.

§ 705.10 Still photography.

(a) Policy and procedures on taking photos by the general public, given in § 705.5 apply also to media representatives.

(b) Basic policy and procedures for still photos are set forth in the Manual of Naval Photography, OPNAVINST 3150.6D.

photographs and may confiscate film, reviewing it if it is suspected that classified material has been photographed. In such cases, all unclassified photos will be returned promptly to the photographer.

(2) Navy personnel have no authority to confiscate film off Navy property. If, as in an accident, classified equipment is exposed which cannot be removed or covered, Navy representatives will ask news media photographers not to photograph it and will inform them of 18 U.S.C. 793(e), 795, 797, which makes it a criminal offense to photograph classified material. Navy personnel will not use force if media photographers refuse to cooperate, but will instead seek the assistance of appropriate civil authorities and/or the photographer's superior in recovering film or photographs presumed to be of classified nature.

(3) If media photographers are uncooperative in regard to protection of classified material, an account of the matter will be forwarded to the Chief of Information.

(d) Release of photographs:

(1) Most unclassified photographs of interest to the public may be released to news media. However, the rights of individuals photographed and special constraints such as those described in section 0403 of the Public Affairs Regulations must be taken into consideration before a decision is made to release a photograph. In addition, photos which might be harmful to recruiting or otherwise not be in the Navy's best interests will not be used unless this failure to release them constitutes suppression of legitimate news.

(2) Photographs of strictly local interest can be made available by the command to local media without being submitted to review by higher authority.

(3) If a feature type photo released locally is considered of possible interest elsewhere, because of its human interest or artistic merit, a single print should be forwarded to the Chief of Information, together with a notation of the distribution made.

(4) Photographs of national interest:

(i) "Spot news" photos may be released by a District Commandant or Fleet or Force Commander.
